The Hong Kong & Kowloon Chartered Institute of Logistics & Transport Walk for Millions, 9 Jan 2011

To promote social responsibility and to raise funds for the needy, CILTHK formed an Institute Team comprising members, their families and friends. They joined the Hong Kong & Kowloon Walk on Sunday, 9 January 2011. 40 people including our President, Dr. Stephen Ho, joined this meaningful event and raised more than \$5,000 for the Hong Kong Community Chest.

They started off from Hong Kong Stadium, passed through Wong Nai Chung Gap Road, Black's Link, Aberdeen Reservoir Road and finished at Aberdeen Country Park Visitors Centre. Total distance was approximately 10 kilometres. Every participant received a very smart-looking CILTHK windbreaker sponsored by Dr. Stephen Ho. It was a beautiful day for walking and a good opportunity for networking among members.

All funds raised through the Walk programme this year will be used to enhance the "Children and Youth Services" supported by the Chest's member agencies, to maintain and strengthen family bonding and to assist family members in establishing mutual support relationships (<http://www.commchest.org/>). If you would like to help make a difference to the lives of those in need, you are encouraged to make the donation to "The Community Chest of Hong Kong" by 11 March 2011.

CILTHK-SCSA Joint Visit: Scheme "A" Company – Dunwell Industrial Holding Limited, 29th January 2011

CILTHK and SCSA jointly organised a visit to Dunwell Industrial (Holdings) Ltd. to facilitate members to have a better understanding of the wastewater and used lubricating oil treatment at Hong Kong's Yuen Long Industrial Estate. Participants were given a presentation of the development and environmental technology of Dunwell Industrial (Holdings) Ltd. Then, Mr. Raymond Tse, Assistant to Managing Director of Dunwell Enviro-Tech (Holdings) Ltd., introduced the Dunwell independent waste oil treatment and disposal plant, its services and operations and used oil re-

finery treatment system to the participants. After showing the participants around the facilities, Mr. Raymond Tse shared his business views about environmental protection in Hong Kong and his experience to minimise daily waste.

The CILTHK YMC Mentorship Programme 2011 has been commenced!

The programme aims at providing a platform for the mentees to build up friendship with mentors and to facilitate the connection between practitioners and students in the field of logistics and transport industry.

The Opening Ceremony was successfully held on 25th March 2011. There were totally 54 participants including our honorable mentors and their mentees. At the beginning, Miss Alice Yip, our YMC Chairlady gave us a welcoming speech. After that, our honorable mentors introduced themselves and shared their views and hopes on the Programme. The highlight of the Opening Ceremony was the ice-breaking of the mentors and mentees. After the matching, all of the mentors and mentees did have their precious time to share knowledge and experience with each others. They all enjoyed the fruitful sharing very much. Thank you for coming to the Opening Ceremony. Hope that all the mentors and mentees will enjoy and cherish the time they are together.

Participation in Young Professional Workshop 2011 – Sydney

Mr. Stephen Chan and Miss Alice Yip from CILTHK joined the International Young Professional Workshop in Sydney. It was not only a valuable opportunity for young members from different countries, but also a valuable experience to understand and explore the culture, history, as well as the logistics and transport industry in Sydney, Australia.

These events also allowed us to salute late Mr. Len Harper, our former International President, through memorial service and sing-along in the President's Dinner.

During the workshop, there were a series of programmes with young members and representatives from Australia, New Zealand and Malaysia. On the first day of workshop, we had a thorough discussion on how to enhance CILT brand communication and recognition, professional development and experience, and global communication among young members within the Institute. The outcome of the discussions were presented in the International Showcase session which was well received and was supported by international delegates. We have established International Young Professional Group to drive and realise the networking and communication initiatives.

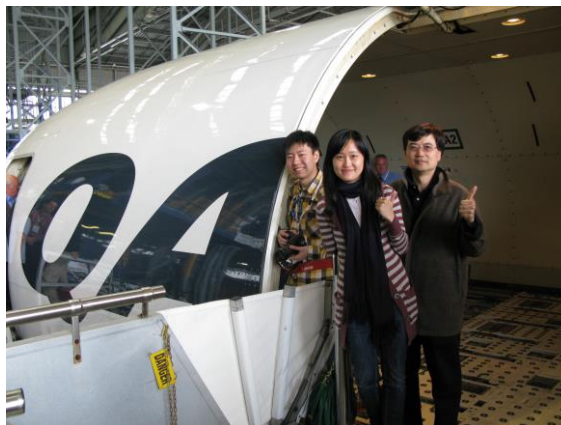

Visit at the Qantas Freight and ALDI

We also attended a series of activities as a part of the official itinerary, such as the Sydney Harbour Bridge Climb, technical visits to the Port Botany and Qantas Air Freight Center, and the wine tasting trip to the Hunter Valley. Besides these, we made good use of this opportunity to discover more about Sydney's natural scenery, landmarks and landscapes.

The workshop was a global event that was highly informative and useful for young members. Thanks to CILT Australia's support and organisation of this event, we all had a fruitful experience. We are looking forward to the next ICM in Birmingham, the United Kingdom.

YMC Mentorship Program – visit to Ngong Ping 360, 20 August 2011

YMC organised a visit to Tung Chung Cable Car Terminal (TCT) to facilitate members to have a better understanding of the cable car facilities and its terminal operations. During the visit to Tung Chung Cable Car Terminal (TCT), Mr. Samuel Lee, Assistant Cable Car Operations & Maintenance Manager, and his colleagues introduced NP360 Cable Car System, Garage, and TCT Control Room to the participants. Members observed cable car operation at lower platform, which is in the prohibited area. Participants enthusiastically raised a number of questions about operation of cable car system. Participants were offered discounted tickets in taking the cable car ride from TCT to visit the Ngong Ping Village after finishing the technical visit.

CILTHK YMC Seminar: Career Prospect in Freight Forwarding and Education, 13 October 2011

Being a platform for young members to have a practical understanding of the logistics, the YMC is keen on inviting guest speakers to share their experience in the logistics field. On 13 October 2011, the YMC invited Mr. Joseph Lau, the Senior Programme Manager at MacGregor Education Services Limited, to give an in-depth experience sharing of career prospect in Freight Forwarding and Education. In the seminar, Joseph shared his study life and career. He also gave valuable opinions to participants who are preparing to have further studies in universities or develop careers in the Freight Forwarding and Customer Service. Mr. Joseph Lau provided comprehensive answers to the participants in the Q&A session. The participants left gratefully for the one hour seminar.

YMC Annual Dinner was successfully held on 22 October 2011

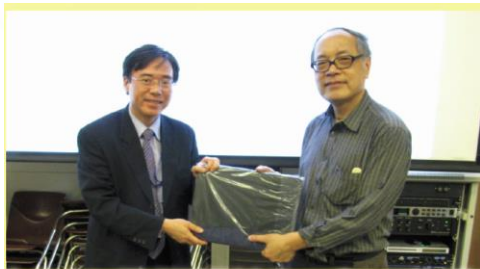

It was the 7th Annual Dinner since the committee's establishment, 45 members had a fabulous evening in Hong Kong Football Club. The Annual Dinner is one of the most meaningful YMC events which everyone had a wonderful night to know each other more and share their valuable experiences, as well as building up our networks.

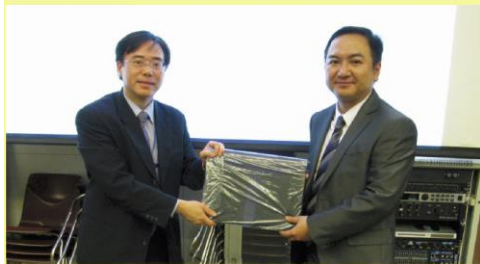

This Annual Dinner was scheduled with various joyful programmes, including interactive games with participants and a live guitar song performance by committee members. An exciting mark six lucky draw put our annual dinner at the highest point, everyone cheered when drawing the grand prize – an A380 aircraft model!

During the Dinner, mentors & mentees from YMC Mentorship Programme also gathered. Mr. Simon Tu, a mentor representative, was invited to share his experience about being a mentor, while his mentee, Miss Tsang Hoi-yee, was also invited to share her feeling and benefit from joining this program. It was very touching and memorable that a close connection was established among mentors and mentees in the past half year. Going forward, YMC will bring another successful Mentorship Program in year 2012.

With the effort of the committee helpers, the appreciation of the advisors and the support of mentors, all participants had a fruitful and memorable dinner at that night. We are looking forward to our YMC Annual Dinner 2012.

Roadshow at IVE (Morrison Hill), 24 April 2012

To foster the linkage with academic institutions, the YMC cooperated with Institute of Vocational Education (Morrison Hill) to deliver a career talk to the students of Higher Diploma in Business Logistics. On 24 April 2012, the YMC invited Mr. Peter Ng, FCILT and Mr. Roger Chan, CMILT, to give an in-depth experience sharing of Hong Kong Logistics Industry - Evolution and Future Perspective, and the Hiring Practices of Logistics Industry respectively. The students left gratefully for the career talk.

CILTHK One-day Trip cum YMC Mentorship Picnic to Crooked Island and Tung Ping Chau, 26 June 2011

▲ Group photo taken on Crooked Island

The Professional Activities Committee and Young Members Committee jointly organised a trip to Crooked Island and Tung Ping Chau. 89 members, mentors, mentees, their families and friends joined the trip. Once set off to Crooked Island, participants were cheered up with the lucky draw on the boat.

When the ferry sailed into the Yan Chau Tong Marine Park and participants showed great interest in the rock cliffs. Participants were once worried a lot about the heavy rainfall, but the weather became good when we landed on the island.

On Crooked Island, there is a Tin Hau Temple built in Qing Dynasty. It is adorned with perfectly preserved blue-and-green glazed ceramic friezes, and is famous with the pair of the Door Gods (facial features look like foreigners). It is also famous with the Marriage Tree in front of the Temple. In the afternoon, the group headed to the easternmost outlying island of Hong Kong - Tung Ping Chau. It is renowned for strange rock formations. The island is made up of sedimentary rock. The quiet island has become a popular holiday destination. To the members, the trip was full of fun and the hiking on the islands was pleasant.

YMC Seminar: The Cathay Pacific Cargo Terminal, 28 Jun 2012

Cathay Pacific (CX) has invested HK\$5.5b in its Cathay Pacific Services Limited (CPSL), a fully owned subsidiary, to design, build and operate the CX's own cargo terminal, Cathay Pacific Cargo Terminal (CPCT) at the Hong Kong International Airport (HKIA). The new terminal will soon commence operation in early 2013. A seminar on this project was delivered by Mr. LO Sze Wai, Albert, the Commercial Manager of Cathay Pacific Services Limited (CPSL), who has over 40 years experience in air cargo operation. At the seminar, he shared his insight and experiences in the shipper and freight forwarder determining factors to airports, the journey to design and prepare CPCT, and how CPCT could be built the airlines', the shippers' and freight forwarders' preferred choice at HKIA.

Participation in International Young Professionals Committee Meeting (IYPC) 2012 in CILT International Council Meeting

In June 2012, Stephen Chan, Leo Cha, Amie Cheung, Keisy Peng and Edwin Yeung joined the International Young Professionals Committee Meeting (IYPC) at the International convention held in Birmingham, the United Kingdom. It was not only a valuable opportunity for young members from different countries, but also a valuable experience to understand and explore the culture, history, as well as the logistics and transport industry in UK.

During the meeting, around 15 young professional representatives from Australia, New Zealand and the UK have also participated. In the captioned IYPC meeting, Hong Kong representatives formally recapped the outcome from the Sydney conference in 2011, and presented the activities, events and achievements that the Young Members Committee has accomplished in the past session. The presentation was well received and highly appreciated across the borders by international delegates. The group has also had a thorough discussion on how to enhance communication and connections among international young professionals and to share experience to help others develop. Other agenda items discussed include establishing structure for coming session of IYPC and conveyor of chairmanship, how to encourage young professionals to actively participate in International Conventions to maintain continuity, as well as Cyclathon 2012 event for the sake of Transaid.

The discussion outcomes were presented in the International Council Meeting the next day, under the participation of the honored guest HRH The Princess Royal. The proposal and initiatives were well supported by international delegates and it was to set Hong Kong YMC as an international benchmark for other countries' development. Meanwhile, the YMC team was granted a chance to share their views on logistics and transport development with HRH The Princess Royal during the round table discussion.

In addition, the YMC team has participated in the technical visit to Cadbury World and their Distribution Center in Minworth. Besides, the team made good use of this opportunity to discover more about local natural scenery and, landmarks and landscapes.

The workshop is a global event that young members cannot miss. Thanks to CILT UK's support and organisation of this event, we all had a fruitful experience with it and we are looking forward to the next ICM in Sri Lanka.

The CILTHK YMC Annual Dinner cum Mentorship Program Appreciation Dinner 2012 was successfully held on 18 August 2012 at the Musical Square in Tsim Sha Tsui. 35 participants came to enjoy this unforgettable dinner. As usual, YMC Annual Dinner is one of the most meaningful events which everyone can know each other more and share their valuable experiences, as well as building up their networks. This year, with the performance from both mentees and YMC Committee members, everyone enjoyed a wonderful night!

The dinner commenced brightly with the welcoming speech by our chairlady, Miss Alice Yip. Everyone enjoyed the meal and shared with each other after the welcoming speech. There were two

performances at that night; one was performed by the mentees of the YMC Mentorship Program 2012. The theme of the performance was to thank for the mentors' sharing during the past half year. The other one was the musical performance by YMC committee members - Mr Jason Ho (guitarist), Mr Woody Lam (guitarist) and Mr Edwin Yeung (pianist) who formed a live band and all YMC members sang along. With the great support and sponsorship from Council Members, YMC advisors and mentors, the night was further cheered up with the lucky draw.

With the effort of the committee helpers and the appreciation of the advisors, all participants had a memorable dinner that night.

International YP Convenor role to Stephen Chan of CILT Hong Kong

Congratulations to Stephen who has been recently appointed by CILT International for the position of International Young Professionals Convenor. The role was an output of the Young Professionals Committee's recommendations to the IMC at the 2012 Convention and following a selection process with interest from many individuals across the world. Stephen has been actively participating

in the CILT Hong Kong institute affairs locally and he has served on the CILT Hong Kong Young Members Committee since in 2006.

He has been one of the nominated representatives of CILT Hong Kong in serving the International Young Professionals Committee at the last two International Conventions. Joining Stephen, Anand Lakhani from CILT UK is the deputy convenor. Both of them are now working with Mr Robin Dunlop as the IVP responsible for the Young Professionals group to create the new committee with a number of regional representatives and to then set the programme moving for YP's globally.

This is a significant appointment and we are excited about the prospect of the YP work now progressing successfully across the CILT world.
